**No win no fee arrangements and fixed fees for Insolvency Services.**

HUGGINS & LEWIS FOSKETT is a long established firm of Solicitors which has been providing a full range of legal services to both individuals and businesses for over 80 years.

In response to increased demand for our services from Insolvency Practitioners we have set up a dedicated Insolvency Services Department which specialises in providing Insolvency litigation services to the Insolvency Profession.

We currently provide services in the following areas: -

- (1) Asset Tracing – Investigations into preference payments and Transactions at an undervalue.
- (2) Asset realisation – The Provisions of the Enterprise Act 2002 mean the Insolvency Practitioner cannot delay in obtaining Possession Orders, Orders for sale or negotiations with other interested parties in realising the interest in a

bankrupt's residential property. We act for Trustees in Bankruptcy in all related matters.

- (3) **Failed IVA's/CVA's** – We act for Supervisors in drafting and issuing Bankruptcy Petitions and Compulsory Winding-up Petitions. We are able to progress the matter to the final outcome.
- (4) **Directors Disqualification** – We represent individuals facing prosecution by the DTI or being pursued by the Official Receiver.
- (5) **Debt Collection** – Bad debts seriously affect cash flow and can affect the solvency of a business or an individual. HUGGINS & LEWIS FOSKETT is experienced in taking fast, decisive and effective action in the area of debt recovery.
